19 Civ. 10098 (LLS)

**ORDER**

After due consideration, it is ordered that:

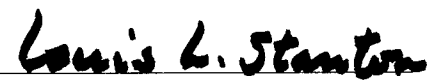

(1) Plaintiffs' November 8, 2019 motion "to Remand This Action to State Court and for Attorneys' Fees" for lack of jurisdiction (Dkt. No. 10), which was brought in disregard of this Court's individual practice 2.A requiring a pre-motion conference before the making of such a motion, is dismissed without prejudice and is regarded as a nullity, there being no reason to waive that rule, and in this case such a pre-motion conference might have been useful; and

(2) All further action in this case is stayed until 14 days after the United States Judicial Panel on Multidistrict Litigation rules on plaintiffs' motion to vacate the conditional transfer order filed in that Court on November 4, 2019, with

respect to which that Court has already set a briefing schedule.

So ordered.
